

WINTER 2019

Lakeland Children's Center @ BFES

New Year, new look!

We hope everyone had a lovely holiday season

With the excitement of the holidays behind us January can be a tough month, especially as we enter into winter. The children, while sad that vacation was over, were happy to see all their friends and settle back into routine.

The New Year has started off rainy and very cold, this has given us the opportunity to really enjoy our enrichment programming. Ninja Cats Studio was introduced to us for the first time, Lacy will be back many times with different art inspired activities. This month we enjoyed decorating and eating sugar cookies. We welcomed back Paper Heart Puppets, this time Brad did a puppet making workshop, it was awesome, the kids are still making puppets in their free time! Nature of Things was back and like always the kids got to hold and learn about some amazing creatures. Creatures such as turtles, snakes, gecko, and hamsters. When we don't have outside enrichment the staff and children make their own fun. We have made sun catchers and various art projects, we paint, use playdoh, play Legos and have fun in the gym too.

Hope the New Year brings everyone peace, happiness, wealth and good health. The Ben Franklin staff and I would like to thank everyone for the generous Holiday gifts that we received.

With the cold weather upon us please listen to WHUD for any and all updates to The Children's Center. The weather seems to change daily, as a reminder we follow the same schedule of the Lakeland Central School District, if the school is closed so are we!

Enrichment Activities:

2/1: Ninja Cat Studios

2/4: Coach Chris

2/11: Jewelry

2/25: Coach Chris
