June has arrived and so has the end of the school year. With the end of year it is time for me to say good bye as your interim site supervisor. I would like to take this opportunity to thank ALL the children, families and staff at the GW site for making my time here a wonderful and enriching experience. I will cherish the memories and I value the friendships that I have made. I will be moving on to the Van Cortlandtville School site so hopefully our paths will still cross .I wish you all a safe, happy summer! Fondly, Miss Liz
