

As the end of the school year approaches, it always saddens me to say goodbye to our 8th grade students. Here at the Beech Zone we enjoy observing friendships blossom, while watching our students develop into mature young men and women. It has been a productive school year, and an honor to be a part of your village. We have accomplished 100 percent of our goals and are so very proud of the students.

Myself, as well as the Beech Zone staff, wish our 8th graders much success as they approach the next chapter of their education. We have had a wonderful end of the year party, along with gifts and certificates for our 8<sup>th</sup> grade students. They bring so much vitality to the group, they are going to be sorely missed.

While we are always sad to say goodbye to our 8<sup>th</sup> graders we also excitedly anticipate meeting the incoming 6<sup>th</sup> graders as well as see how much our current 6<sup>th</sup> and 7<sup>th</sup> graders change and grow over the summer. I am looking forward to the up coming school year of 2018/19. We have a lot of fun filled activities and enrichments planned.

We hope that all dads had a wonderful Father's Day, and enjoyed the cards our students made.

We wish all families a fun filled and relaxing summer. If you have not done so please register your child for the up-coming school year. Enrollments slots fill up quickly.
