Thomas Jefferson Edition

Goodbye October, Hello November!

Halloween is over and students as well as staff were extremely excited to wear their costumes. Not only did we all wear costumes but we had a spooky Halloween treat

This month has been jam packed with so many different crafts and activities! To celebrate the season of autumn, we created scarecrow door hangers out of popsicle sticks. We also created something spooky for Halloween, bobble head bats! However our favorite craft was the balloon and flour stress balls!

TJ's former art teacher, Mrs. Halim came to visit us this month. She is creating Paper Mache owl pencil holders. Ms. Halim has been coming every Monday to complete a different part of the craft.

Each week, in the month of October, Sal has comes to our site to teach us how to play chess.

It is a little difficult, but each week we are getting better and better. Coach Chris came to play our favorite sport, soccer! Last, but not least, Tonya from Intrigue fitness came to our site. We loved all the different dances!

We had a TJ Pride celebration this month with an ice cream party. We demonstrated our problem solving skills and being respectful and responsible citizens of the school.

Just a reminder as inclement weather approaches; please remember to send a note to school regarding dismissal if LCC is closed.

Thank you for your continued support.

Just a reminder, if there are any changes in pick-ups or attendance please leave a message on the TJ answering machine 914-245-4275.
