

WINTER 2019

Lakeland Children's Center @ LCBMS

New Year, new look!

The Beech Zone wishes all families a Happy New Year!

The Beech Zone has kicked off the New Year with a lot of new and exciting clubs. We are now offering a Knitting Club, Cooking club, Rummikub Club, and an Art Club. The schedule for these clubs will be posted by the attendance sheet.

This month our students made Valentine's Day cards for our troops. Each student made a card and attached it to a bag of candy, a big thank you Jim Rathschmidt for picking up our cards and mailing them to our military troops.

The students enjoyed some fun enrichment programming this month. In sewing they made key chains, a head band and a tennis ball. Our AM students have been enjoying chess, they are becoming quite good at it too! We can always count on Coach Chris to get their bodies moving!

We are going to be collecting slightly used children's books. These books will be donated to the Maria Fareri Children's Hospital. If you are donating books, please have them in no later than February 7th.

Our tutors have been working diligently with our students. Mr. Trevor has incorporated games to enhance our students' social study, math and science knowledge. Mrs. Gina has been helping students with homework projects.

With the winter months upon us, please remember to tune into WHUD for any school closings or delays. The Beech Zone will be closed if Lakeland School District is on a delay.
