

Lakeland Children's Center Newsletter

Benjamin Franklin Edition

I can't believe this will be our final communication for the 2017-18 school year, this year has gone by so quickly, and what a great year we have had. We have experienced and celebrated many things, we certainly were not bored. We either had an enrichment program to entertain us, or we were involved in one of many other activities. We have built castles with Legos, dinosaurs with puzzles, gotten to a castle made of sweets in Candyland and have made many, many creative projects. When we were not playing we were focused on getting our homework done.

This time of year is always bittersweet, as the staff and I look forward to what next year has to offer and the excitement of meeting the incoming Kindergartners, we also need to say goodbye to our graduating class, some of whom have been a part of Lakeland Children's Center @BF since Kindergarten. We are so proud of all that they have accomplished in their years with us and each one will be missed. I hope the graduates have as fond memories of LCC as we have of them. We encourage each of them to come back and visit.

Thank you
to all of the
parents for
allowing us
to be a part
of your
child's life
this year,
we can't
wait to see
them next
year!
