

Lakeland Children's Center Newsletter

Lincoln Titus Edition

We hope you have all enjoyed a wonderful and safe Halloween!

The month of October at LCC @ Lincoln Titus ES has been a very special and exciting one. The children experienced numerous enrichment programs. They have made apple cider by pressing apples, enjoyed Zumba, Coach Chris, Briks for Kidz, Star Lab, and Nature of Things. As we move into November, more enrichments and projects are to come.

We have officially gotten our book, Cheaper by the Dozen and will start our book club in November, with Ms. Marie doing a read aloud. Finally, every week, we have had our Friday dance party. Our dance parties are a huge success with a room filled with children dancing and using ribbon twirlers, balloons, and glow sticks. We ended our month with a Halloween party, which included

light up balloons, ice cream sandwiches, treats, and a special Happy Birthday to Ms. Johnna.

With the help of our tutors, the children diligently and successfully complete their homework, within a timeframe, that still allows them to enjoy the fun activities Lakeland Children's Center has to offer.

To celebrate the upcoming Thanksgiving Season, we have many things planned. Including, but certainly not limited to, special art projects and a talent show, something all the kids can participate in, if they wish to. In the short time that school has been in session we have learned the kids of LT have lots of talents, it is our hope to showcase them in a fun and supportive environment!

Happy Fall!
