November at Lincoln Titus has provided us a Fall to remember. We have had familiar enrichments and new ones, we have had new students join us and immediately we feel like they have been with us since day one. We have had our very first dismissal and snow day of the year, we have prepared for the Thanksgiving holiday and have had our first extended break! This month has offered lots of excitement.

While we enjoyed our tried and true enrichment programming such as Star Lab and Briks for Kidz, we also welcomed in a new friend to teach us chess. The fun doesn't end there, we are welcoming a new Art program as well as getting a special treat from Paper Heart Puppets in the month of December.

Although we had a day off school for election-day and then a three day weekend to follow, in honor of Veterans Day plus our first snow day and our Thanksgiving break, we still found time to enjoy crafts and fun as well as our first feast! The chil-

dren gobbled up chicken, corn, mashed potatoes, cornbread, and sweet rolls in honor of Thanksgiving. A special thank you to all the staff for pitching in and making our feast a memorable one.

We also celebrated one of our wonderful staff members birthday, Ms. Marie.

Remember, we like to play outside, please dress appropriately for the weather, even if we only go out for 15 minutes they children need to have gloves and a hat to stay warm.

Our month has finished with our children and staff stuffed full of great memories. The excitement as we move into December is building, we can't wait to get started!
