

WINTER 2019

Lakeland Children's Center @ BFES

I can't believe February is over already, despite the short month we had a lot going on. We went from spring weather to an arctic blast, with a few delayed openings, early dismissals and school closings.

We had Coach Chris playing indoor sports games with the children. We also made bracelets with Michelle, affectionately known as "the jewelry lady". The children were also taught to make 3 dimensional pop up cards by Lacy our friend from Ninja Cat Studios. I hope someone received a bracelet and a card for Valentine's Day!

Despite all the crazy weather we were able to celebrate Valentine's Day. We had a little party with lots of goodies like cookies, cakes, fruits, vegetables and ice cream.

Once again I continue to be impressed with the children's academic achievements, they are always eager to do their homework, I hope you are as proud of them as we are.

With it being Valentine's Season it reminds us that friendship is a very important part of Children's Center. The children, above all activities, enjoy playing with their friends the most.

REMINDER: SCHOOL & LCC are closed on March 7th and 8th!
