

WINTER 2019

Lakeland Children's Center @ LCBMS

Our students were busy in the month of February, they have been preparing for our International Day. International Day will be on March 13th, from 7:00 am to 8:30 am & 3:00 pm to 5:30 pm. Parents, grandparents, & siblings are invited to travel the world with us. We will have food and crafts representing different nationalities. If you would like to participate in the event by bringing a family recipe please contact me.

In addition to preparing for our International Day, this month our students participated in lots of fun enrichment. Our sewing instructor helped the kids to make bracelets and matching earrings. Paper Heart Puppets was here to assist in puppet making and a puppet show. Finally, Ninja Cat Studios was here to teach cookie decorating and each student decorated their own cookie with fun colors and professional frosting bags.

Our Art tutor Trevor did a proportional math problem to convert a cake recipe into a mug cake. After the math problem was solved the students put the ingredients in a mug and microwaved it for 3 mins. Each student enjoyed eating their own mug cake.

For Valentine's Day our students made Valentine's Day cards. They enjoyed cupcakes, candy, popcorn, and nachos. A fun time was had by all.

*REMINDER: SCHOOL & LCC are closed on
