

WINTER 2019

Lakeland Children's Center @ GWES

New Year, new look!

We hope everyone had a lovely holiday season

With the excitement of the holidays behind us January can be a tough month, especially as we enter into winter.

At The Children's Center @ GWES we try to fight the winter blues with fun and exciting projects and games. The children, in the morning program, begin their day with breakfast followed by games and crafts, sometimes we even find time to get to the gym to run around. During our PM program we have been spending time playing fun games such as four corners, relay races, basketball and jump rope. That is after we have snack, which is always first on our agenda. The kids are also enjoying board games, working with clay, drawing and coloring.

LCC continues with its enrichment programming. This month we have enjoyed sewing, and a new addition, Ziggo the Magician, perhaps you have seen him at a birthday party. Ziggo did many tricks including pulling a rabbit out his hat that the kids were able to pet and adore. The kids seemed to love the show and we hope he comes back again soon!

We welcome Ashley to our team. Ashley brings to the team energy and a love of working with kids, she is an asset to our program and the kids love to play with her.

- With the cold weather upon us please listen to WHUD for any and all updates to The Children's Center. The weather seems to change daily, as a
- reminder we follow the same schedule of the Lakeland Central School District, if the school is closed so are we!

Enrichment Activities:

2/1: Paper Heart Puppets

2/4: Chess

2/8: Coach Chris

2/11: Chess

2/12: Cookie Decorating with Ninja Cat Studios
