

WINTER 2019

Lakeland Children's Center @ TJES

Brrrrr....Baby.... it's cold outside! Winter has arrived. We hope you enjoyed your holidays and wish all of you a Happy New Year! Thank you for all the warm wishes, delicious treats and gifts you have bestowed on us. We truly appreciate your kindness.

Just before the break, we enjoyed the most amazing enrichment programming. Paper Hearts Puppets dazzled us with an interactive puppet show made from sustainable materials. They will be joining us again this month for a puppet-making workshop, which I suspect will be well received!

Ninja Cat Studios showed us how to decorate cookies with a professional flair, using different colored icing and toothpicks to create designs.

Michelle, our jewelry making consultant, brought in beautiful beads and charms to make a special Valentine gift for the children to give to their special someone.

The Nature of Things brought some furry and not so furry friends to visit with us this month, we learned about tarantulas, snakes and more! Some of the children were brave enough to pet the animals.

On Friday, before the long weekend, we were treated to a very special magic show with Ziggo! The lucky participants waved magic wands and said the magic words and WHAM! lots of tricks were completed. There was even a live rabbit in one of them!

Along with all these great programs, we still have our tutors visit us Tuesday, Wednesday and Thursday. We are doing lots of crafts and projects each day. We use the gym when available and still go outside if the temperature allows. Please encourage your children to dress warm, so they can play outside. Next month we will hold annual Lego building contest next month.

As usual, please inform both LCC and the school of any changes in dismissal.

Thank you for your continued support.

Enrichment Activities:

2/1: Coach Chris

2/4: Sewing

2/8: Ninja Cat Studios

2/11: Sewing

2/12: Arts and Crafts

2/25: Sewing
